eDiscovery in a Box

INSTANTLY READY, FULLY FUNCTIONAL EDISCOVERY ENVIRONMENT

Swiss FTS eDiscovery in a box appliances allow you to get up and running in no time without your IT being involved. Preconfigured to use Nuix and/or Relativity, our appliances are plug-and-play devices allowing you to spin up a project on-site immediately. Depending on the size, additional storage can be added in advance or later during the project.

All flash based storage, high-performance components and our custom configuration ensure the best possible user experience. ■

PRECONFIGURED WITH:

Nuix eDiscovery environment
Relativity including Analytics
Illuminate license
All required 3rd party software licenses
For other tools, contact us.
